

## **THREE SOLWAY CHURCHES DEVELOPMENT PROJECT**

Welcome to St Michaels church, Burgh by Sands.

Burgh by Sands is a village steeped in history in many ways. I am head teacher of the Primary school in the village and feel that both the church and village itself have many learning opportunities to offer children.

I have put together in this resource pack a few of the lessons your children will hopefully enjoy on their visit to St Michaels church.

Activity One: St Michael's Church quiz and photo quiz

Activity Two: Making a Roman Soldier Helmet

Activity Three: King Edward 1

I hope you enjoy your visit and find the resource pack useful.

Sonia Chalmers

This project is supported by the Rural Development Programme for England (RDPE) for which Defra is the Managing Authority, part funded by the European Agricultural Fund for Rural Development.
