Social Media and our Parish.

Do you want to find out what's going on in the Parish?

Do you want to share what's going on in the Parish?

- For several years the Parish has been supported by The Parish Magazine, The Parish Council Website as well as the Parish Hall & St Mary's Church facebook pages. All of which are excellent and provide essential communication, enabling you to find out what's going on within the local area.
- In April 2024 the Parish Council will expand its use of social media, further improving access to local information in a timelier manner. We're introducing:
 - Facebook
 - Instagram
 - WhatsApp - presently used by councillors.

Why are we doing this?

- To allow important Parish information to quickly come to you.
- To allow you to quickly pass any important information onto others by sending a message and/or photo's for review and publishing if applicable - e.g. a fallen tree, missing pet, roadworks etc.
- To save time, money and resources.
- To help combat climate change by reducing our carbon footprint.

Here's how to do it - it's really simple

****New Sites****

Facebook - search and follow **Beaumont Parish Council** for wider Parish information.

Instagram - search and follow **Beaumont Parish Council** for wider Parish information.

Existing Sites

Website - type www.beaumont-pc.org.uk into the address bar. There are desktop and mobile variations to suit your needs. There's lots of useful information here.

Facebook - search and follow **Beaumont Parish Hall Cumbria** for Social information.

- search and follow **St Mary's Church Beaumont** for Religious information.

Instagram - search and follow **Beaumont_Parish_Hall** for Social information.

What if I don't use Social Media?

Don't worry - ask a friendly neighbour, friends or relatives to show you how to use it, or, for them to follow us and share information on your behalf.

Feel free to contact one of your friendly councillors for more information or guidance if required.

Important Note - If commenting on a post, please be respectful of others - thank you!

Kirkbride Surgery News

Staff update

We are delighted to have welcomed two new registrars, bringing with them experience from working in other general practices and different clinical backgrounds.

Dr Belema Osigbo and Dr Shweta Ajay will be here until August.

Triaging appointments

As most patients are aware, the GPs have requested that our reception team ask for the reason for your appointment.

This is to ensure all appointments are triaged and everyone is seen in the correct timeframe, and by the correct clinician.

All information given will always be treated in confidence

Consult with your doctor online

To miss the wait on the phones, you can now request an appointment on our website.

www.kirkbridesurgery.org.uk. Your request will be triaged within 72 hours, and a member of the admin team or a GP will get back to you. This should not be used for any urgent matters

You can scan this QR code with the camera on your phone to take you to the right place to leave your query!

St Giles' Church, Great Orton. THANK YOU.

This is the time of year when we are preparing various reports for our APCM and it also seems an opportune time to thank all of you who have supported our church over the past twelve months. Many thanks to everyone who has contributed financially whether it be at each service, through planned giving or one-off donations. It is all much appreciated and essential for the running of the church. We appreciate too the help with cleaning, flowers and decorating the church for Festivals. As usual a huge thank you to Alan Rickerby for his constant hard work in the churchyard and for the continued support of all our magazine distributors throughout the parish.

During the current Vacancy, we are grateful too for the help we are receiving from retired and visiting clergy who enable us to keep up our established service pattern and also to Robert Pattinson who continues to lead the Ecumenical service each month. To those who contributed to the consultation process at the end of last year regarding the appointment of a new Priest in Charge, thank you. The responses, were considered, along with those from the other parishes in the benefice and have gone towards the compilation of the Benefice Profile that will be available to applicants for the post.

We are always pleased to welcome newcomers to St Giles' Church, both at services, or to be involved with day to day running/maintenance. Thank you to those who have already given up time to help in recent years. Just as in any organisation, the tasks sometimes seem endless-and many hands make light work. If there is anything you feel you can be involved with, please let a PCC member know.

Thank you again for your support to date.

Update on progress towards the appointment of our new Priest-in-Charge

Work is continuing on the next stage towards making an appointment, the production of the Benefice Profile, which will be sent to potential candidates for the post. Each PCC has now drawn up its own Parish Page and a sub group representing all the parishes has worked on the overall Benefice aspects. The full Benefice Standing Committee, with representatives of all our Parishes, has unanimously approved the draft Profile, which has now been sent to the Diocese. Once the draft has been returned to us, and any remaining work on it done, it will be turned into a well laid out, illustrated document, and when all is completed and approved we will be able, working with the Carlisle Diocese, to proceed to advertising the post. There will be further Magazine updates as progress continues.

Baptisms, Marriages, Funerals while we have no Priest-in-Charge of our Parishes

Anyone wishing to arrange a Baptism, Marriage or Funeral while we have no Priest-in-Charge is warmly encouraged to contact their local Churchwarden (please see list below).

Pause and Pray

Mondays 2pm

Our Barony prayer group meet every Tuesday in St Michael's Church from 1pm to 2pm and everyone is invited.

A new initiative we would like to spread across the Barony is Pause and Pray. Wherever you are at 2pm on a Monday - shopping, walking the dog, at work, in the garden, we would like you to stop for a few minutes to pray.

You can pray about anything - the vacancy - your own church - people close to you .

If you are unable to pray at that time, pray when you can on that day - it could even be sat in a car, out and about - offer an arrow prayer.

God loves to hear our prayers.

This would be a powerful way of showing God's unity through collective prayer of many praying at the same time.

We hope you will join us.

“Then you will call upon me and come and pray to me, and I will hear you.” (Jeremiah 29:12)

Operation Christmas Child Shoeboxes update

Operation Christmas Child have confirmed that the shoeboxes collected from Monkhill in November made their way to Moldova in Eastern Europe. Moldova is situated north east of Romania with a population of 3,250,532 with 18% under the age of 15 (source – CIA The World Factbook). Operation Christmas Child sent the following message “We thank God for the thousands of children who have received shoeboxes here since we began outreach events. While we are unable to provide information on the specific child/ren who received your individual shoebox/es, we hope you will be inspired by the following story about Ana”.

“Ana is from a village in Moldova where there is extreme poverty. She had been wanting a baby doll mentioning it many times around the house. Recently when shoebox gifts were distributed in her area, Ana opened the lid of her shoebox to find the exact baby doll she had longed for. Surprised and beaming, she picked up the doll and hugged it close to her chest”.
